

# Khaana — Company Overview

## Your Partner in Foodservice Products and Services

At **Khaana**, we provide a full suite of foodservice products and services. Our mission is to support kitchens with quality sourcing, *chef-first solutions*, and reliable service. From pantry staples to eco-friendly packaging and training, we deliver efficiency and care in every partnership.

## Brief History

2018	Founded in a shared commissary kitchen; pilot deliveries to cafés.
2020	Expanded distribution and introduced food-safety training.
2022	Launched menu-planning services and sustainable packaging.
2025	Rolled out supplier portal + analytics to reduce waste.

## What We Offer

**Products:** Pantry staples, eco-friendly packaging, smallwares.

**Services:** Menu planning, supply coordination, staff training.

**Support:** Responsive account managers and on-site launch assistance.

## Our Values

- Quality — dependable sourcing and high standards.
- Transparency — clear communication and pricing.
- Sustainability — minimizing waste with eco-friendly choices.
- Customer Care — fast, hands-on support.
